

ENVIRONMENTAL EDUCATION: “GREEN DAY FOR CHILDREN”

Short description:

The **Iberotel Dahabeya** in South Sinai, Egypt, offers a special thematic animation program for the children of their guests to make them aware of the environment. In the context of a “Green Day for Children”, the hotel organizes all kinds of educational activities. The children are awarded for their participation. Examples for these activities are:

- Baking cakes with environmental messages on the icing
- Cleaning up the beaches
- Gardening lessons
- Environmental quizzes and painting competitions
